

PRODUCT INFORMATION CUTTING MAT SOFT WIDE

Articlenumber **SNIJ1002000**
Size **1000 x 2000 mm**
Material **PVC**
Thickness **5 mm**

Turn every surface into a cutting table with a soft cutting mat.

The mat has a long lifecycle in use and even after many cuts it won't fall apart in pieces. This is possible thanks to the characteristics of this material. During cutting there won't be any sharp edges, which can harm your printing material. Besides all of this, the mat is also useable on both sides, so a long lifespan can be guaranteed.
