

PRODUCT INFORMATION CUTTING MAT SOFT WIDE

Articlenumber	SNIJ1207000
Size	1200 x 7000 mm
Material	PVC
Thickness	5 mm

Turn every surface into a cutting table with a soft cutting mat.

The mat has a long lifecycle in use and even after many cuts it won't fall apart in pieces. This is possible thanks to the characteris features of this material. During cutting there won't be any sharp edges, which can harm your printing material. Besides all of this, is the mat also useable on both sides, so a long lifespan can be guaranteed.
