Lockable snap frames using an allen key for the display of posters and full colour prints. Three of the sides are interlocked in such a way that they cannot be opened until the allen key side has been opened. To fit the poster simply open the snap frame, remove the PVC sheet, place the poster in the frame, cover it with the transparent PVC sheet and close the snap frame. The snap frames come standard with four mounting holes, screws and an allen key. The aluminium snap frames are silver anodised and have mitred corners. The profile width is 32 mm.
