Postersize	<b>500 x 700 mm</b>
Visible postersize	<b>480 x 680 mm</b>
Profile thickness	<b>32 mm</b>
Material	<b>Silver anodised</b>

This snapframe offers you a handy compromise between a tight sharp mitred cornered frame and a round corner frame by way of a little round cornerpiece which is mounted in the corner of a mitred corner snapframe.

Through the use of those soft and safe rounded corners, your customers won't be complaining about sharp cornerrounds during hanging of the frame on the wall. Besides this cornerpiece will give the frame a little different look so you can offer something different than your competitors.
