Double sided window snap frames for the display of posters and full colour prints on the inside of your display window. The snap frame is mounted using double sided tape. Mount the aluminium cover strips on the outside of the window: the poster now appears to be displayed outside. To fit the poster simply open the snap frame, remove the PVC sheet, place the poster in the frame, cover it with the transparent PVC sheet and close the snap frame. The aluminium snap frames are silver anodised and have mitred corners. The profile width is 32 mm.
